

Swim Attire

In the interest of public health and safety for all patrons at SPLASH Aqua Park and Leisure Centre, swimmers must wear appropriate attire in the pool.

- Tight-fitting swim nappies are to be worn by all children who are not fully toilet trained, including children who have occasional accidents.
- When using disposable swimming nappies, tight-fitting aqua pants should be worn over the top. This ensures a secure fit and helps prevent accidents.
- Reusable swim nappy pants are also acceptable provided they tight fitting around the leg and stomach.
- If children don't have appropriate swim wear, they will not be allowed to participate in swimming. This includes saggy or loose-fitting garments that won't pull up around the waist.
